### WORLD CLASS CLEANING PERFORMANCE

Engineered to deliver superior cleaning power, productivity and dependability, while protecting Indoor Air Quality, these backpack vacuums are the perfect combination of power and comfort.

### VERSATILE CLEANING

Aluminum telescoping wand allows each access to a wide variety of areas. Perfect for cleaning carpet, hard floors, and above floor cleaning.

### HANDS-FREE SYSTEM

Storage of tools, including the wand, is right on the belt for operation convenience.

### FITS EVERYONE

Contoured, padded, and easy to adjust shoulder straps, adjustable chest strap, heavily padded waist belt with lumbar support, and shoulder mounted load stabilizer provide better control and comfort.
